Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What would you do if you woke one morning and your life was drastically changed? Missy Frankfort was a good kid. She was on the honor-roll, obeyed her parents, and was considered by most to be Little Miss Perfect. During her sophomore year Missy met the perfect boy, or so she thought. At first things were great, he was a true gentleman. After a few months of dating, Roger changed. He became more controlling, intimidating, and just scary. He persuaded Missy into doing things she never would have dreamed of. She managed to find enough courage to end the relationship, but it was too late. Missy was pregnant. She faces the biggest challenge of her life, graduating from school with a baby. Will Missy's dreams come crashing down, or will she prove to the world that being a teen mom isn't the end of the world, only the beginning.
