SnowMoon Wolf, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Raw emotions pour from Wolf's pen. His poetry moves me to anger, it makes me sad and it makes me bitter about the injustice that he and other veterans face. But the fact that he can bare his soul in this creative manner is genuinely uplifting. Stirring stuff. Lynette Pinchess - Nottingham Post - May 2013 Soul of a Wolf completes the eclectic Poetry of a Veteran trilogy, as the author shares some of his feelings about the constant struggle with Post Traumatic Stress Disorder, his views on life and how it affects him on a daily level. The poems portray the betrayal of Veterans by the System, alongside moments of hope, connections with nature and some romance with a sprinkling of humour. There's something for everyone within these pages. He also touches on issues of racism, religious and cultural tolerance and prompts us to examine the issues affecting our societies for ourselves. Derek Thompson Wolf Photography and SnowMoon Wolf are Not-For-Profit companies. Their aims are to raise awareness of Post Traumatic Stress Disorder (PTSD), educate on Intellectual Property issues and promote creative arts as a coping mechanism for disability.
