Condition: New. Publisher/Verlag: Little, Brown US | "The Matthew Scudder novels are among the finest detective novels penned in this century." - Jonathan Kellerman Matthew Scudder is facing his demons. Forced out of the NYPD, he's given up the drink. He's thinking seriously about his relationship with sometime girlfriend Jan. Then he runs into "High-Low" Jack Ellery, a childhood friend from the Bronx. They're two sides of the same coin: Scudder once solved crimes as a detective. Ellery committed them. In Scudder, Ellery sees the moral man he might have become. In Ellery, Scudder sees the hard-won sobriety he hopes to achieve. Then Ellery is killed, shot once in the mouth and once between the eyes, presumably while attempting to atone for past sins. Is it what he saw or what he said that got him killed? Ellery had no family, no friends to press for justice. Scudder reluctantly begins his own investigation, with just one lead - Ellery's Alcoholics Anonymous list of people he wronged. One of them may be a murderer, but that's not necessarily Scudder's greatest danger. Immersing himself in Ellery's world may lead him right back to the bar stool. Exploring themes of loss, nostalgia, and redemption, for Lawrence Sanders, *A DROP OF THE HARD STUFF* circles back to how it all began, reestablishing why the Matthew Scudder series is widely regarded as one of the pinnacles of American detective fiction. | Format: Paperback | Language/Sprache: english | 310 gr | 210x140x25 mm | 352 pp.
