

## Eyewitness Accounts: Diary of a Nursing Sister

By -

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Eyewitness Accounts: Diary of a Nursing Sister, By the time of the First World War, nursing had become vital. The quality of medical care available to British soldiers had improved immeasurably since the days of Florence Nightingale. This classic diary, written by an anonymous nurse, is an essential account of the Great War from an unusual female perspective. Through the pages of her carefully-kept diary we follow the author's experiences on the Western Front as she cared for the wounded. Much of her time was spent on the ambulance trains that collected the wounded from the front line and in Field Ambulance stations, bringing a vivid immediacy to her interactions with the wounded soldiers. In her diary she faithfully recounts her own everyday experiences of war, as well as those of the men whose lives she saved behind the scenes of the deadly battles at the front line.
