Reviews

I actually started off looking over this publication. I have read through and so i am certain that i am going to likely to study again yet again later on. I am easily will get a delight of reading a written pdf.

(Ross Hermann)

WARFARE: HOW WAR BECAME GLOBAL (2 ED.)

GLMP Ltd. Paperback. Book Condition: new. BRAND NEW, Warfare: How War Became Global (2 ed.), Robert Johnson, Graham Lawler, War is a persistent, recurrent and tragic part of human history. Anyone who visits the battlefields of the First World War cannot fail to be struck by the poignancy of the cemeteries there. Row after row of white headstones, set in immaculate order, stand silent amongst the peaceful hedgerows and fields of France and Flanders. Walking beside them, one can read the names of individuals where they are known. Often it is the ages, some just 19 years old, which strike home, reminding us that wars are fought by the younger generation, and sadly they are called to make the ultimate sacrifice when their life has barely begun. As the title suggests, this book is concerned with the changes that took place in warfare, and, as such, a certain emphasis will be placed on 'turning points' in organisation, technology, leadership, or in operations. The aim of this book is to be an introduction to an enormous subject. Military history is a vast topic, and its study should be set within the context of the history of the period in question, and, in particular the question of its political purpose. Only by these means can a full appreciation of the military narrative be grasped. For example, the political upheavals of the French revolution set in motion the revolutionary wars, and these, in turn, assisted the career of Napoleon Bonaparte. Napoleon was as much a political animal as he was a military leader, and his strategic decision-making reflected his political aspirations to dominate Europe and suppress his rivals. This book will enable you to get straight to the main features of this subject. It will also help you to avoid the common pitfalls...
