

Indias Overland Trade With Central Asia And Persia: During The Thirteenth And Fourteenth Centuries

Filesize: 4.67 MB

Reviews

Completely among the best pdf I actually have possibly read through. It is probably the most awesome pdf we have read. You wont really feel monotony at whenever you want of your time (that's what catalogs are for about in the event you ask me).

Munshiram Manoharlal Publishers Pvt Ltd, New Delhi, 2006. Hardcover. Condition: New. First. 198pp. The thirteenth century opened new vistas in the world history, particularly Asia. It witnessed the rise and fall of different dynasties and ultimately allowed the Mongols to survive as the mightiest power in China, Russia (Kipchak), Central Asia, and Persia for more than a century. They brought under their sway the Islamic lands of the Orient except Indian where the Turks had already established themselves as a powerful state during this period. The present study is the first of its kind dealing with Indias overland trade with Central Asia and Persia during the thirteenth and fourteenth centuries. The book seeks to interpret the working of the political forces in India and her neigHardcoverouring countries which shaped the commercial network of the medieval period. Despite the Mongol devastations, the yasa of Chingiz Khan and the zeal displayed by the Turks crated an aura of mercantile activities.
