*This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).*

Rebel Ink Press. Paperback. Book Condition: New. Paperback. 262 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. Sometimes mourning the loss of one life while rejoicing the discovery of another requires more than one tear Living just outside an Army base in the Midwest meant Madison Melbourne grew up around soldiers by the thousands. While they were a constant in her life, she never envisioned herself filling the role of Army wife. Until Gage came along. Over the course of a few months, Madi knew two things. She might be head over heels and she was definitely pregnant. Against the advice of friends and family, she jumps over the state line and into a marriage that would later be defined by the secrets it held rather than the truths she thought it was based on. Upon his death in combat, Gage leaves Madi with more questions than answers and more debt than money forcing her from her Kentucky home and right back where she started. She may be at square one, but Madis determined to move forward and never to be left destitute and heartbroken again. Seeing how difficult the Marine Corps is on marriages and families, Rafe McCarthy has sentenced himself to a life of hard time as a bachelor, living for the moment and never staying with any woman long enough for the grass to grow beneath his feet. In fact, Rafe has a reputation as the unit player that follows him everywhere he goes with a vengeance. But it seems biological time clocks aren't just a female thing. In fact, Rafe's biological alarm goes off one afternoon and like a man possessed, he falls into a wife seeking mode akin to the heat seeking missiles he's watched zipping over the Middle East for the last several years. Its only...
