University Press of Florida, United States, 2011. Hardback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. How tourism shaped the Sunshine State An enlightening journey through Florida s diverse and evolving tourism history, illustrating the changing face of tourism over the years, and how Floridians have coped with these changes. An informative look at Florida s past efforts to woo tourists, and the mixed blessings that tourism has brought to the Sunshine State. --Brian Rucker, author of Image and Reality At last--a readable, concise history of Florida tourism from the earliest European discovery to the present. Sunshine Paradise is the first book to focus exclusively on how--and why--tourism came to define Florida. Offering a concise look at the subject from the 1820s to the present, Tracy Revels demonstrates tourism s relevance to all other major aspects...
