## TARZAN THE UNTAMED (PAPERBACK)

[DOWNLOAD](#)

COSIMO CLASSICS, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. Tarzan looked at the girl, a quizzical expression upon his face. Again had she placed him under obligations to her, and Tarzan of the Apes did not wish to be obligated to a German spy; yet in his honest heart he could not but admit a certain admiration for her courage, a trait which always greatly impressed the ape-man, he himself the personification of courage. Here is the kill, he said, picking the carcass of Bara from the ground. You will want to cook your portion, I presume, but Tarzan does not spoil his meat with fire. Edgar Rice Burroughs created one of the most iconic figures in American pop culture, Tarzan of the Apes, and it is impossible to overstate his influence on entire genres of popular literature in the decades after his enormously winning pulp novels stormed the public's imagination. Tarzan the Untamed, first published in 1920, is the seventh book of Burroughs' tales of the ape-man. Here, Tarzan swears vengeance against the murderers of his wife as the conflagration of the Great War begins to burn a swath through this corner of British East Africa. American novelist EDGAR RICE BURROUGHS (1875-1950) wrote dozens of adventure, crime, and science fiction novels that are still beloved today, including Tarzan of the Apes (1912), At the Earth's Core (1914), A Princess of Mars (1917), The Land That Time Forgot (1924), and Pirates of Venus (1934). He is reputed to have been reading a comic book when he died.
