World Encounter Institute/New English Review Press, United Kingdom, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When Islam comes to a land, what happens? Scott further demonstrates that while Islam initially conquered the most advanced areas of the world, at a time when Medieval Christendom was a poor backwater, within five centuries the balance of power was completely reversed, with the Islamic world stagnant and deteriorating and the Christian world poised for global domination. This is no accident, but the inevitable result of the opposing world-views created by Islam and...
