Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I m Autumn. I m having an interesting couple of days you could say. See, I almost died and was sent back from Limbo because I haven t built up enough good Karma. I know. It sounds far out there but imagine if you were living it? I don t have to because I already am. Now I m seeing halos everywhere. I even have one and its crooked! Can you believe that? My halo is crooked! Apparently my soul is imbalanced and is now in a power struggle between Heaven and Hell. I ve been given the chance to straighten out my halo, so if and when I do die, I can go to Heaven. They ve given me a sexy guardian angel to help protect my soul. He s yummy, smells like cookies, and is smoking hot eye candy that tempts my body. If I m not careful, he may just tempt my heart. Along with my golden-eyed Angel, I ve been assigned a wise-cracking Devils Spawn Minion, Desmin, to help me complete my task set by the Heavens themselves. Follow me on this wild adventure as I battle creatures spawned from the depths of Hell and unravel a mystery bigger than any of us could have imagined.
