Reviews

It is one of my personal favorite publications. It is actually really fascinating through reading through period of time. It's been printed in an extremely basic way in fact it is just after I finished reading through this ebook by which basically transformed me, change the way in my opinion.

Rather than have a single overworked author attempt to give you a brief overview of every imaginable topic, explaining none fully, Take Control assembled an all-star team, with each author dedicated to telling you everything you need to know about a particular subject. For each topic, you'll find a concise introduction, detailed explanations, useful tips, and step-by-step instructions, all amply illustrated. Best of all, you can receive free updates to each of the titles in this collection! Aimed at readers just like yourself, who aren't afraid to tinker around a bit to get the most out of their OS, this full-color volume shows you how to customize Mac OS X Tiger to fit your very specific needs. 344 pp. Englisch.
