Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This book, like Chesterton s Orthodoxy, is a collection of arguments and speeches given in response to the assertions of leading eugenics supporters in England in the 1920s. Many of his thoughts apply to today s battles over abortion and contraception and the government s role in providing them. Chesterton makes a clear and powerful reasoning for keeping the grasping government s hand out of the individual s most private life.
