

## Montaigne, Malade Et Medecin (Classic Reprint) (Paperback)

By Raymond Delacroix

Forgotten Books, 2016. Paperback. Condition: New. Language: French . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Montaigne, Malade Et Medecin De tous les ecrivains du XVIe siecle, Montaigne est un de ceux sur lequel la critique a accumule le plus de commentaires et de discussions: la bibliographie est enorme; seul le cote litteraire a ete approfondi. On a peu ecrit sur Montaigne au point de vue purement medical, quoiqu il ait ete particulierement aime eteludie par des medecins: les Dis Armaingaud, Cabanes, Helme, Payen, Saucerotte. A premiere vue, il semble bien en effet que la personnalite de Montaigne echappe completely au domaine de la medecine et de la pathologie mentale. Son esprit clair, mesure, prudent, semble en faire un heros du bon sens et de la reflexion; ce serait le Francais le plus sage qui ait jamais existe (Sainte-Beuve). Pourtant le caractere de cet esprit si ondoyant et divers, sur lequel on a tant discute, peut etre eclairci par une etude medicale. Fils d un pere mort de lithiase vesicale, nous retrouvons chez Montaigne la diathese hereditaire. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
