

Soaps and Candles (Classic Reprint) (Paperback)

By James Cameron

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Soaps and Candles As in the preceding Handbooks of this series, the articles in Cooley's Cyclopaedia have been added to from various scattered sources, so as to present, in as small a compass as possible, information which, it is hoped, may be found useful to technological students and others interested in the industries described. In order to economize space, it has been assumed that the student has some previous knowledge of theoretical and practical chemistry, and details of many analytical processes, which are described in general treatises on practical chemistry, have been, for that reason, omitted.
