Are you divorced, in the process of a divorce, or even separated? Do you feel like your emotions are out of control? Are you just going through the motions and calling it living? In 1994, Candy Block thought she found the love of her life, her Romeo. They married in July of 2000 looking forward to the happily ever after. Then everything came crashing down, and she found herself in the middle of a divorce. Her pain was unbearable. She didn't know where to turn. Candy shows you how to go from a victim to a victor. Are you determined not to let your past define your future?.
