The question you will naturally ask at the outset is, What is the new Evangelism? Now that is a question that I cannot answer. I do not know what the new Evangelism is, and it is because I do not know that I write this paper. I write because I ought to know, and am trying to know. Many here, and all the most earnest minds of our Church, are anxiously asking this question, and each who has once asked it feels it to be one of the chief objects of his life to answer it.
