Brand New Book ***** Print on Demand *****.Peter made all the classical, Christian mistakes. He spoke before thinking, lacked faith, and even denied the Lord Jesus Christ. But Peter had a moldable, open heart, and the Lord knew it. All the mistakes Peter made helped him understand what other Christians face, and his writings both warn and encourage readers today. Too many of today's religious entities and Christian individuals are functioning on spiritual autopilot, rarely pausing to pray in earnest and seek the Lord's will for their lives. Peter says if we lack the things of the Lord, we are blind and walk by feeling the way with our hands (2 Peter 1:9). His writings serve as an eye-opener for those who want to live for the Lord completely and without reservation. About the Author Russell Stendal, a former hostage of Colombian rebels, is a lifelong missionary to that same group in the jungles of Colombia. He is an influential friend to military and government leaders in Colombia, Cuba, Mexico, Venezuela, and the United States. Russell's ministry shares the gospel via twelve radio stations, hundreds of thousands of Bibles, books, and movies distributed through airplane parachute drops, and numerous speaking engagements for groups of leaders, prisoners, and individuals. Russell goes wherever the Lord leads, whether it's to speak with a president or to go deep into the jungle to help an individual in trouble. He has witnessed thousands commit their lives to Christ.
