Reviews

This publication is wonderful. Better then never, though i am quite late in start reading this one. I am very happy to tell you that here is the best book we have read through inside my personal daily life and could be he finest pdf for actually.
(Ms. Sydnee Lesch)

THE ART OF CO-OPERATION

Share International Foundation, Netherlands, 2002. Paperback. Book Condition: New. 211 x 135 mm. Language: English . Brand New Book. The Art of Co-operation deals with the most pressing problems of our time, and their solution, from the point of view of the Ageless Wisdom Teachings that, for millennia, have revealed the forces underlying the outer world. Benjamin Creme brings these teachings up to date, preparing the way for the imminent emergence of Maitreya, the World Teacher, and His group of Masters of Wisdom. This volume looks at a world locked in ancient competition, trying to solve its problems by old and out-worn methods, while the answer - co-operation - lies in our own hands. It shows the way to a world of justice, freedom and peace through a growing appreciation of the unity underlying all life. Maitreya will inspire in us this growing realization. Topics include: the necessity of co-operation; the USA and competition; organism versus organization; opportunity for service; fear of loss; karma; love; courage and detachment; overcoming of glamour; how the Masters teach; unity in diversity; consensus; trust.
