Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Imagine only spending 1 minute-a-week, beating the pros, doubling the Nasdaq and most importantly, keeping your money safe from the next major decline. Quint Tatro, President of Tatro Capital - Simplicity is a trader s greatest asset, which many spend an eternity and several fortunes attempting to figure out. Randall s strategy is a glimpse into just how simple success can be. Don t over think this book. Buy it, read it and put its contents to work today! Jack Schwager, Author of the best selling Market Wizards series - Buy and Hold Hope is a book squarely aimed at the ordinary investor who resorts to buy-and-hold as an investment strategy or makes emotional decisions that lead to even worse results. In this accessible book, which is a mix of personal anecdotes, sound investment observations, and excellent investment quotes, Mauro provides an alternative strategy that offers the potential for equal or better returns with significantly lower risk. Although there are no guarantees that the recommended approach will outperform in the future, it is certainly worth consideration as an alternative to what investors typically do. Buy and Hold Hope will give you the tools to . Gain financial freedom to never be at the mercy of the market or an advisor telling you to sit through the next major decline because markets always go up. Take control of your investments so that you will never feel helpless again watching your portfolio s value drop like a rock. Out of frustration, a feeling of helplessness and a determination to find a better way, Randall Mauro, chief investment officer at Resnn Investments, discovered how to keep your money safe, spending only 1 minute-a-week. Learn the...
