Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from M. Tullii Ciceronis Cato Maior, Sive De Senectute This edition does not require a long Preface. It is meant for the same purpose as Mr. Sidgwick's companion edition, of the de Amicitia. In drawing up the Notes, I have simply tried to give the kind and quantity of help which a master approves and a boy will understand. Beginners are easily discouraged and confused by a variety of readings and a crowd of references. Hence I have reduced matter of this kind to a minimum. The text is based mainly on that of Sommerbroodt and Reid. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
