Admiral House Publishing, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Throw your seabag aboard Wasafiri to join Taz Keaton and the Mayday Salvage and Rescue gang in fun adventures and a chance at Blackbeard's gold. Do you love adventure stories with crisp dialogue, interesting history, and fun characters? Then Tortuga Gold will be your great discovery of the year. Imagine crossing Clive Cussler's Dirk Pitt with John D. MacDonald's Travis McGee. Now throw that hybrid into exciting adventures that only international best-selling thriller writer Wes DeMott could conjure up and. well, that weird bit of imagery actually gives pretty good insight into this first-in-a-series about Taz Keaton and the gang of Mayday Salvage and Rescue as they battle pirates in search of Blackbeard's great lost treasure. Mayday, you know. People only call us when things get really exciting. Love it. Tortuga Gold is a fun action story that follows Taz Keaton's fast adventures after he rejects his wealthy lifestyle and starts Mayday Salvage and Rescue in search of excitement. After Taz and his two partners race the Panamanian National Police to recover a metal case from the wreckage of a private jet in a muddy river, they meet a man with a coin from an historic but never recovered Spanish shipment that vanished in 1715. From there the adventure rolls from modern day pirates to blood-sucking leeches, exploding yachts to beautiful international competitors and a sea battle with the legendary Black beard himself. This is the first novel in a series involving Taz and Mayday Salvage and Rescue. Look for the second book in the series, Tequila Boom Boom, late summer 2012.
