Random House USA Inc, India, 2002. Paperback. Book Condition: New. 175 x 106 mm. Language: English . Brand New Book. From Pauline J. Alama comes a stirring fantasy tale of three vagabonds in a dying world and their terrifying quest into the heart of darkness. The Eye Of Night It is a magical world on the verge of collapse. In the North the Troubles rage. Cities and kings are being annihilated; the very earth is in upheaval, waking even the dead from their graves. All notions of time and space, of day and night, of seasonal change seem fractured beyond repair. But as the chaos moves slowly south, engulfing land after land, three unlikely heroes--an ex-priest, a battered serving girl, and an exquisitely beautiful, refined lady--journey bravely to the dying regions, their only weapon an enchanted stone of enigmatic power and ancient origin. Jereth, disillusioned with his faith in the Rising God and robbed of his family after a deadly shipwreck, struggles to find meaning in his blighted life, searching the devastated land without direction--until he meets two extraordinary women. Each has her own secrets to keep; both are on a quest to save the world. But they must first save themselves, conquering their demons and rousing their well-disguised strengths. Only then will it be revealed how three penniless, unarmed wanderers can light a darkening world. For one is a prophet, one is a fool, and one's life is now in their hands.
