

Wild and Wonderful: West Virginia (Paperback)

By Janet Dailey

Open Road Media, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Every novel in this collection is your passport to a romantic tour of the United States through time-honored favorites by America's First Lady of romance fiction. Each of the fifty novels is set in a different state, researched by Janet and her husband, Bill. For the Daileys it was an odyssey of discovery. For you, it's the journey of a lifetime. Your tour of desire begins with this story set in West Virginia. Could Glenna bargain with a man like Jett? For her father's sake, Glenna Reynolds felt she had to try. The government was going to shut down her father's coal mine any way—the only chance was for a merger with Jett Coulson's huge conglomerate, Coulson Mining. She found Jett Coulson devastatingly attractive, but a tough businessman. And he wasn't interested in absorbing Reynolds's losses. It would have been easy if you'd suggested a merger with you, he told Glenna. In spite of his cool, emotionless arrogance, somehow Glenna was tempted by the proposition!.
