The volumes of the Congregational Union Lecture fall into two Series, one commencing in 1833 and continuing on to 1860, the other extending at intervals down to the present time. It is now fifty years since Dr. Samuel Davidson delivered the Lectures in the First Series on The Ecclesiastical Polity of the New Testament; and twenty-one years since Dr. Enoch Mellor delivered the Lectures in the Second Series on Priesthood in the Light of the New Testament. The Lectures here presented, though cognate in subject, proceed upon somewhat different lines, and are intended to deal with the question mainly after the historical manner and from the altered point of view necessitated by the researches and inquiries of the last twenty years.
