ITS NEVER TOO LATE TO LOSE SOME WEIGHT

CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 154 pages. Dimensions: 8.5in. x 5.5in. x 0.3in. This book describes the authors efforts at losing a significant amount of weight. When the weight loss program started, he weighed 290 pounds, but when he reached a goal of 215, he had lost 75 pounds over a period of 50 weeks. Described within are the steps taken to establish and achieve weight loss. Included are accounts of establishing a weight loss goal, determining how much and what to eat, how to stay on track, exercise requirements, thoughts on nutrition, specific results, and notes on vitamins. Occasionally, a tongue-in-cheek approach is used, but the described procedures worked. Hopefully, the chronicled journey will encourage overweight readers to achieve their own weight loss goals. This item ships from La Vergne, TN. Paperback.
