Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Six weeks in London-the trip of a lifetime and the perfect way to prove she is just fine on her own. But enter Nathan Harris, and Meg isn't so sure being on her own is what she needs or wants anymore. After losing her husband six years ago, Meg Stevens has focused on the day-to-day and being a mother, not sparing a thought for anything beyond-no dates, no excitement, no life other than what she already had. A six-week vacation to London, all but forced on her by her two children, changes all of that. Meg meets the man of her dreams-gorgeous, dominant, and completely on board with a short-term fling-despite the fact he's far too young for her. Nathan Harris is more than a bit curious about the beautiful woman renting the upstairs flat, and once he talks to her, curiosity is quickly replaced by arousal and desire. It doesn't take long before it's clear she longs to experience sexual submission, and Nathan finds himself desperate to be the one she submits to. Her days spent exploring the city, her nights exploring Nathan and the pleasure submitting to him brings, Meg discovers the trip she'd taken out of obligation has turned into something she doesn't want to walk away from. However, the life she left behind beckons, and there's no room there for dreaming of something she can never have.
