Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the Bible, Chapter 13 of Revelation describes the rise of three beasts. The first is the general beast itself; second is the one described as the first beast; third is the one given the name of the second beast. All are given power by Satan. One of the beasts, that first beast the antichrist, no longer exists. He was killed in 632 A.D. The other two beasts are alive and well; they grow stronger every day to destroy all that is good in Christianity and America. The second beast has recently assembled his vast army of Useful Idiots to advance his insidious charge from Satan. This book is a full definition and description of the three beasts introduced in Chapter 13 of Revelation. It coordinates and assimilates other verses in Revelation to describe exactly who these beasts are and how they are related to the rider of the red horse that goes forth to kill one another and that scarlet colored beast who carries a woman. Briefly defined, that red horse is Satan who carries Islam on his back. That rider is given a great sword to take peace from the earth, and kills one another; as Muslims are doing every day. This is written in Chapter 6, verse 4. The woman riding the scarlet colored beast is described in Chapter 17. That woman is also Islam; also known as Jezebel and Babylon the Great. That scarlet colored beast is also Satan, who supports Islam with the riches of oil in the Islamic countries. Learn about this and so much more by reading this book.
