Debolsillo, 2015. soft. Book Condition: New. Primavera con una esquina rota es un testimonio directo y dolorido que trata de una sociedad escindida, fracturada por la represión y el autoritarismo, e intenta ser un puente entre dos regiones #el Uruguay bajo la dictadura y el Uruguay del exilio# que constituyen un solo y lacerado país. Más allá de los acontecimientos políticos, la novela se centra en la profunda conmoción que éstos provocan en las relaciones humanas de los individuos que los sufren. Como en el resto de su obra, Mario Benedetti combina aquí ternura, denuncia, pasión, amor e Historia para transmitir al lector un mensaje de esperanza: la primavera, aunque mutilada, relevará por fin a un invierno que se anunciaba inacabable.
