*Simply no words to spell out. It can be rally fascinating throgh studying period of time. You will not really feel monotony at at any moment of your own time (that's what catalogues are for concerning if you ask me).*

*(Dr. Isabella Turner)*

## THE MONSTER AND THE MAIDEN (PAPERBACK)

Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Just eighteen years old when the last lock clicked, Andrew Winchester doesn't remember how long it's been since he's seen the light of day, only that he might never get back out. The only link left between the imprisoned man and the outside world is his little sister Mazie, who thinks that she can free him from his prison, but after so long, will the outside world still be the same? Will he? In this experimental short story, the life and experience of a young man locked in solitary is told through a first-person viewpoint as he struggles with his disconnect from the outside world. When the light no longer reaches him, and all he has left is the knowledge of why he's been imprisoned and that he must never be free again, it begins to become a bit hard to tell just what is and isn't real anymore. The long-gone biting words of another can have a profound effect on someone whose only remaining world is comprised of those words, but maybe the words of another can have an even stronger effect, spoken just a little bit differently. The only remaining question is where to draw the line between fact and nervous fiction.
