Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.William King is as out of control as the world he lives in. While a hulking, menacing government bureaucracy consolidates its grip on the general populace, stripping rights and twisting bodies and minds, with its attempts to tighten control ever increasing toward attaining utter dominance, Billy s fracturing mind and feral body scabble for hope and freedom. Abandoned by father and by brother, assailed by the insanity of his frail yet despotic mother and the dog-eat-dog society she reflects, Billy must choose between starvation in the gutter or submission to military might and pray that some part of him survives. As friends die and dreams crumble, will Billy destroy the corporatist war machine that has invaded and reshaped him from the inside out or be consumed by it?.
