RISE OF HYPNODROME (PAPERBACK)

DOWNLOAD

Chicago Center for Literature and Photography, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. It s 2039, and a political faction called the Lifestyle Party has risen to power under the Presidency of Deepak Chopra. The new government bans scientific innovation and introduces a set of policies focused entirely on maximizing personal happiness. So why is Grady Tenderbath so unhappy? Believing that he s fallen short of his professional potential, he buys a personal robot muse to nurture his talent and ego, while his wife Karen, a genetic scientist, becomes more entrenched in her lab. But just when Grady seems on track to solve his career crisis, he discovers a new problem: he s swooning for the empathetic yet artificial Ashley. Not only that, he s distracted by haunting visions of Karen transforming into something else. Half speculative fiction and half marriage thriller, Rise of Hypnodrome explores how future generations might draw from the realm of epigenetic engineering to eventually control their own biology. Whether human or robot, the characters in this cutting-edge science-fiction novella have one thing in common: an irrepressible desire to evolve.
