Book Description: August 1845 in New York; enter the dark, unforgiving city underworld of the legendary Five Points. : After a fire decimates a swathe of lower Manhattan, and following years of passionate political dispute, New York City at long last forms an official Police Department. That same summer, the great potato famine hits Ireland. These events will change the city of New York for ever.: Timothy Wilde hadn't wanted to be a copper star. But his fight for justice could cost him the woman he loves, his brother and ultimately his life. : Amazon Review: Amazon Exclusive: Michael Connelly Interviews Lyndsay Faye: Michael Connelly: I think the first question is about the challenge you gave yourself with this book. My hubris in trying to write a...
