iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Jeff Scarborough was the only cameraman on duty at WNBC s newsroom in New York when the attacks of 9/11 began. Armed with privileged information from the 93 attack on the World Trade Center-realizing both towers were doomed-Jeff pulled out of an emergency convoy just short of the WTC as he and reporter Rob Morrison approached the burning towers. Taking charge at the scene, Jeff ordered live-truck engineer Eddie Alonzo to stay 500 feet away and told all responding crews to back-off-dangerously becoming NBC s sole cameraman broadcasting live from Ground Zero. He permitted only the live-shot reporter to join him at his camera position-and during their live broadcast, the South Tower collapsed. They ran for their lives; Jeff rescued Eddie and stayed to videotape the panic and the North Tower collapse. September s Camera is the story of that fateful day, and of a career lived on the edge of danger-as Jeff s lens captured conflict, urban riots, blackouts, serial killers, plane crashes and human frailty in all its forms.
