We are living in difficult times, and for many of us, it has become harder than difficult. Many of us go to bed at night wondering how we made it through the day, and if tomorrow would be our last. The political climate is divisive and hateful, while the entertainment of our lives is marred with sexual harassment and fight for social justice. Still, God walks with us. Families have been serving God for generations, and like many, they too are marred with hate, vindictive fabricators. It is easy to believe in God when your friends are your family and your neighbors stand with you for peace. See, God does walk with those that try to be good. Moreover, God cannot be many things to us, only one, and that is our spiritual father. We have to rise above the threat of nuclear war, racism, sexism, and separation, so we can show the world that love is real and our faith in God is made it real. I strongly believe that world is having a hard time believing in God, because the killing of innocent in our communities and sporting events give us pause to ask, WHERE ARE YOU, GOD? God has shown himself in the Bible, and we have to show the world that God exists by showing them that he lives in us. We must improve our care and character, so we will feel good about doing right and fair to one another without being ashamed. God walks with us, the problem is, how long will God let us walk with him? iTunes and has the audio version of these books.
