Great electronic book and useful one. It can be written in straightforward terms rather than difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

LESSONS LEARNED FROM LIVING IN THE EYE OF A STORM

Xulon Press, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.Are you going through difficult times? Do you feel overwhelmed and need encouragement? Going through dark times is never easy; it was not for me either. I struggled financially for two years and faced foreclosure four months in a row. Not only was I was going through a divorce, raising two young daughters, taking care of my mother, but I was also trying to run my own business from home which was strictly on commission and my only source of income. This was the worst time of my life, but it was also the best time of my life. I learned how to trust God and live in the peaceful, calm eye of the storm. If you ask me was it worth it to get my faith to where it is today, the answer is definitely yes. To experience God s love so directly in my life was and continues to be a blessing. It s during the storms that our faith is stretched so that we can grow closer to God. Over the years, telling my experiences of God s goodness and grace through 20/20 hindsight has brought comfort and encouragement to others. Now I would like to share with you my Lessons Learned from Living in the Eye of a Storm.
