SCULLY S HANDBOOK OF MEDICAL PROBLEMS IN DENTISTRY (PAPERBACK)

Elsevier Health Sciences, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. Prepared by an author of international renown, Scully s Handbook of Medical Problems in Dentistry offers a wealth of information in a handy easy-to-carry format. Containing over 250 colour photographs, artworks and tables, many of which have never been published before, this useful guide covers the main conditions seen in clinical practice together with their relevance to oral health care. Frequently presented in an alphabetical format for ease of reference, the volume presents topics that range from medical history taking and perioperative assessment and planning to dealing with medical emergencies. The importance of age and gender is also explored together with specific medical and surgical conditions. Additional topics include infection control, therapeutic modalities, trauma, disability and vulnerable people. Fully up-to-date with the latest international guidelines, the book is rich with relevance for dentistry boxes, abundant full-colour line diagrams and clinical photographs to demonstrate essential information at a glance. Scully s Handbook of Medical Problems in Dentistry will be ideal for all undergraduate dental and dental professional students, general practitioners, hospital based dental staff, post-graduates in specialist training and other members of the oral healthcare team. Highlights the main points of human diseases and their relevance to oral healthcare in a practical way Gives particular focus on areas that are of major concern to dentistry and oral healthcare e.g. allergies, bleeding tendencies, endocrine disorders - especially diabetes - gravid patients, hepatitis and other transmissible diseases, and malignant disease Explains the process of risk assessment, pain and anxiety control, patient access and positioning, treatment modification and drug use Relevance for Dentistry boxes highlight the most crucial aspects of specific conditions Contains new national and international guidelines, further reading and up-to-date websites More than meets the needs of...
