## METHODOLOGY FOR EVALUATING ORGANIZATION DEVELOPMENT STATE

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | An Application of the DEA Method | The publication focuses on the issue of evaluating the development state of organizations with the application of relative measurements through a mutual comparison indicating the degree of similarity, which can be used as an element supporting the benchmarking process. The evaluation was reduced to establishing partial ordering of data in multidimensional sets by applying static models of organizations. DEA (Data Envelopment Analysis) was used in..
