Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.SEO Basics: How to use Search Engine Optimization (SEO) to take your business to the next level of success!!!!!!! Do you keep being told that you need to do SEO but you just don t know where to start? Or even what SEO is? Do you have a business that needs an online presence, but you aren t sure how to do that in a way that will actually increase profit? Does the amount of traffic you get on your website, suck? Do you find that most descriptions of SEO are cryptic, hard to understand, and pre-suppose knowledge of html, coding, or other computer stuff you just don t know anything about? Well. not anymore!!!! SEO stands for Search Engine Optimization. This is really just a fancy term for saying how to make your website, profile, social media campaign, or whatever, show up on Google and other search engines. Most people don t look past the first 1-2 pages of search engine results when they are looking for something online, so if your business isn t on the...

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

-- Prof. Murl Shanahan DDS

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
