Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Three Chester Whitsun Plays The faint radiance that glimmers along the distant horizons of history is so strangely illusive, that the student welcomes any means by which the feeble glow can be caught and focussed into useful light. Perhaps no objects so readily yield their many-sided story as the pieces of money, struck and passed from hand to hand, in the days when other records were few. None of the many creations of the great human family are more durable; and none fix their enduring narrative within such certain chronological limits. It was especially an appreciation of this last attribute that led to this modest enquiry being undertaken. As it is quite impossible now to say where all the coins described by Dr. Hume, in his book *Antiquities from the Sea Coast of Cheshire*, ultimately found a resting place, it seems reasonable to suppose that a few of them, at least, passed into Mr. Potter s hands; and that, therefore, our list and Dr. Hume s may, occasionally, be describing the same specimen. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
