Createspace, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just imagine your adorable little child spouting out the perfect idiom at the perfect time that makes all of your family and friends laugh and talk about how smart your child is for their age. Better late than never. Bring home the bacon. Get up on the wrong side of the bed. Mind your manners. The Hagopian Institute has compiled the Idiom Junkie series. The overall series includes over 5,000 idioms, focusing on a wide variety of idioms stretching from funny idioms, to necessary idioms, to rarely-used odd idioms. This particular edition of the series includes over 600 idioms that are perfect for helping children learn how to speak like adults. This book provides a great opportunity to teach your kids phrases that will make them sound more and more like the adult they will be in the future. You will love hearing your little child spit out these idioms in front of friends and family, and wow them with the level of their maturity. This book is designed so that you and the child will recite each idiom, and then discuss all of the ways that the idioms could be used. Therefore, there are no examples in the book, but it is compiled of idioms that most people will easily recognize, and will easily be able to relate them to everyday life to help ingrain them into the minds of your children. Enjoy!.
