FIERCE DAY

Friesenpress, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.In this remarkable new collection, her first in over a decade, Rose Styron confronts the death of her husband step by step in jewel-like poems. Seldom has a poet been so attuned to the ways in which, under the pressure of grief, time both opens and shuts letting us into its minutes, shutting us out of its years. The instant, clock time, the half-hour, the day, the anniversary, sacred time, secular time, calendar time all are opened up by love, loss, and most especially seasonal shifts that allow one glimpses of what an afterlife might be, or a way back into this life with a quickened sense of what joy might lie beyond grief. Winter deepens, early Spring asks the resistant heart to open, late Spring beckons asking the soul to relearn trust. By the time Summer arrives, this dazzling poet of summer has learned how to survive loss, how to see again, how to trust ever-treacherous, inevitably treacherous, time, as if it were one s natural lover. It is a wise and gorgeous journey. Fierce Day is a lyric record of loss, and of the heart wrenching struggle to continue living in the shadow of grief, but not to move beyond grief so much as to make of grief an inescapable condition of love and continuing attachment. The love that electrifies every page of this beautiful collection is not only for another person but for the mutable world itself, whose glories are part and parcel of its evanescence. Don t let the simplicity and directness of these poems fool you as the title indicates, this book disquiets as much as it consoles: its vision of time and...
