HOW TO ASK A WOMAN OUT: GENTLEMEN ONLY (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Asking a woman out requires some sensitivity and skill that will come with practice. You re like to have some good and some bad experiences. You need to learn from the good ones and put the bad ones behind you so you can move on. You should never let a bad experience dent your confidence because that is the key to getting your next date. Women are more attracted to confident and assured males. Not all women are out for what they can get out of a relationship. You need to decide what type of woman you are looking for. This book has been written to provide you with an insight into how you can improve your ability to get dates. Fortunately, as human beings, we are all different and you will rarely find two people who are immediately in tune with each other s personalities; you do need to build up some knowledge of the woman before she is likely to go out with you. This book helps to guide you in the right direction and also gives you an insight into the female psyche, but as I am sure you often heard said, Who can understand a woman s mind? The answer is probably you, or not you, but it can be fun trying. So why not have some fun?.
