A top quality ebook as well as the typeface used was interesting to see. It usually fails to charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Seminar paper from the year 2013 in the subject English - Literature, Works, grade: 1, 3, University of Frankfurt (Main), course: Introduction to Literary Studies, language: English, abstract: The poem Prologue by Don Paterson was published in 1997 in his book Gods Gift to Women. Hence, the poem can be classified to the postmodernism, which is characterized by the self-conscious use of earlier styles and conventions (Oxford Dictionary, np). The theme of this collections opening poem is poetry itself and the importance of the lyric persona. The poem can be roughly divided into an introduction (verse one to eight), a main part (verse nine to 18) and an end (verse 19 to 20). In the introduction the lyric persona rebukes the lyric thou in its behaviour. The main part is a foreshadowing of the upcoming poems of this collection. The poem ends with a demand for praying.
