Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The theory behind this severe limitation on carbohydrates is based on the way the body reacts to this major food group. Ingesting carbohydrates increases blood sugar levels, which triggers the body to create insulin in order to properly digest the carbs, transforming them into energy. In fact, if you are not on any diet at all - it just makes...
