SIMON SCHUSTER, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. He holds his hand up to her face. Celebrate this? I hate this. I hate this every day. You don't mean that, Lydie protests. When the Gypsies come, you'll understand. Don't you get it, Lydie? They never come for gimps like me. For a small town, Warsaw Junction has a lot of secrets. Who could guess that Augie Knapp, the kid who hides his deformed hand in a glove, has collected most of them and hides them in an old suitcase? No one even suspects Augie has a secret of his own until Lydie Rose Meisenheimer blows into town and signs up for sixth grade. Driving a broken-down convertible, wearing a black straw hat, and proclaiming herself Augie's new best friend, she turns his days into embarrassing nightmares. But she also fills his nights with bright-shining visions of Gypsies -- Gypsies who could make Augie's dreams come true if only he'd dare to dream a little harder. *The Gypsies Never Came* is a bold departure for well-known author Stephen Roos. It's the story of a boy who wants to belong, a story that will make you laugh, break your heart, and change the way you look at the world.
