iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.If you re even considering entering the teaching profession you need to stop and read this factual account before you take another step. The reality is that teachers are overworked, overstressed, and underpaid yet they take on the phenomenal task of educating the future leaders of society. Teachers should be applauded for their valiant efforts, but instead they often feel defeated and isolated. With a lack of resources, materials, and technology teachers often feel unsupported as they scramble to meet the needs of students. Teachers are under an enormous amount of pressure, while they are continually subjected to disrespectful and malicious behavior from troubled students. The public school system has many defects, but up until now they have been well-kept, dirty little secrets. The Special Education program is riddled with severe inadequacies. All schools are vulnerable to inappropriate behavior, but parents will be shocked to learn about the epidemic of sex, drugs, and violence on school campuses. Find out what school districts don t want you to know. Explore the world of education from a teacher s perspective.
