SOUTH TO THE FUTURE: AN AMERICAN REGION IN THE TWENTY-FIRST CENTURY (HARDBACK)**DOWNLOAD**

University of Georgia Press, United States, 2002. Hardback. Condition: New. New. Language: English . Brand New Book. Until recently, the American South has often been treated in isolation by historians and literature scholars. In these essays five scholars of southern history and literature evaluate elements of contemporary - and future - southern experience, including place, community, culture, class, gender, and racial roles. Fred Hobson observes in his introductory essay that the U.S. South must be seen in relation to a larger world - the Caribbean and Central and South America, as well as European countries with a similar grounding in hardship and defeat. Moreover, the South can no longer be viewed in black-and-white terms - especially if the subject is race. Joel Williamson s essay challenges fellow historians to broaden their purview by getting acquainted with *Gone with the Wind*, Elvis Presley, and other phenomena of southern culture(s). Linda Wagner-Martin discusses the innovative ways that contemporary southern writers such as Charles Frazier take on traditional southern concerns and shows us how place becomes space for Alice Walker, Barbara Kingsolver, Cormac McCarthy, and other southern-born writers whose works are often set outside the geographical South. Thadious Davis looks at the youngsters of southern poetry, fiction, and drama, revealing how their work reflects a racially and ethnically mixed, digitized, and otherwise reconfigured South. In the writings of Shay Youngblood, Randall Kenan, Donna Tartt, Mona Lisa Salloy, and others, one can see the collapsing of distinctions between the literary and the popular, and a greater comfort with social fluidity and mobility. The concluding essay by Edward Ayers, set in 2076, offers a witty glimpse of things-perhaps-to-come. Through a series of short dispatches from a sixteen-year-old narrator of Scottish-Ghanian-Honduran-Korean-Cherokee descent, Ayers transports us to the Consolidated South that counts Incarceration Incorporated among its largest...
