

Reach for the Skies: Ballooning, Birdmen and Blasting Into Space

By Sir Richard Branson

Bolinda Audio, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. As far back as stories go, pioneers have reached for the skies. In the last two hundred years, they have mastered the air and made the modern world possible. Reach for the Skies is my look at the history of flight through the stories and people who have inspired me throughout my life. It is a story of pioneers, and of course it includes the world famous Montgolfiers and the Wright brothers, but I also want to describe some of the lesser-known trailblazers. People like Tony Jannus, who in 1914 created the first scheduled commercial flight, flying his passengers over the waters of Tampa Bay at an altitude of just fifty feet; the bird man Leo Valentin, who in the 1950s jumped from 9,000 feet with wooden wings attached to his shoulders; and my friend Steve Fossett, who dedicated his life to breaking records and having adventures. This is their story. It is also, in a small way, my own. -- Richard Branson.

Reviews

It is one of my personal favorite book. It is one of the most incredible ebook i have got go through. You will not feel monotony at at any moment of your own time (that's what catalogues are for relating to if you ask me).

-- **Giuseppe Mills**

Totally among the best publication I have ever go through. This really is for all those who statte that there had not been a well worth studying. I am just very happy to let you know that this is actually the very best pdf we have go through inside my very own daily life and could be he very best ebook for actually.
