## STRATEGIES FOR INCLUSION WITH WEB RESOURCE 3RD EDITION: PHYSICAL EDUCATION FOR EVERYONE (PAPERBACK)

Human Kinetics Publishers, United States, 2017. Paperback. Condition: New. 3rd edition. Language: English . Brand New Book. Transitioning students with disabilities into inclusive physical education environments is an important and sometimes challenging task. But *Strategies for Inclusion, Third Edition*, makes that transition much smoother and better for all parties involved. Lots of New Resources and Material The latest edition of this popular text will empower you with the information and tools necessary to successfully include students with disabilities in your program. *Strategies for Inclusion* reflects the latest research and legislation, so you can be sure that your program is not only successful but also compliant with the goals and requirements of the Individuals with Disabilities Education Improvement Act. The text has retained and updated its instruction on assessing students, making placement decisions, developing and implementing individualized education plans (IEPs), and more. And it offers this completely new material: - A new chapter on the referral, eligibility, and placement process, covering the nine steps required by law - A new chapter on transition planning and how you can help students integrate into their communities after leaving school - A new section on Paralympic sports and how they can be infused into your curriculum - New material on functional behavioral assessments, behavior intervention plans, leadership opportunities, training techniques for peer tutors and paraeducators, and more - A new inclusion rating scale that will help you rate how inclusive your classes are and show you areas for improvement - A new web resource with numerous useful tools - More than double the number of teaching units (38 units, up from 17), giving you more options for inclusion The new web resource offers fillable digital versions of all the modification checklists and rubrics in the book. You can save materials in order to build...
